

**SCDHEC OFFICE OF OCEAN AND COASTAL RESOURCE MANAGEMENT
PERMIT APPLICATION PUBLIC NOTICE**

February 22, 2008

Permit Number: OCRM-08-007-Y
Permit ID: 61830

The SCDHEC Office of Ocean and Coastal Resource Management has received an application for a permit for the alteration of a critical area. This application was submitted pursuant to the Coastal Zone Management Act (Act 123) of the 1977 South Carolina General Assembly. The application, in brief, is described as follows:

APPLICANT: Ray Moore
C/O Marine Construction, Inc.
3078 Murraywood Road
Johns Island, SC 29455

LOCATION: On and adjacent to Stono River at 2100 & 2101 Fiddler Island Lane, James Island, Charleston County, South Carolina. TMS#: 330-08-00-021 & 330-08-00-003.

WORK: The work as proposed and shown on the attached plans consists of constructing a private dock and bulkhead. Specifically, the dock will be located on TMS# 330-08-00-021 and consist of a 4' x 263' walkway leading to a covered 14' x 30' fixed pierhead. Floodside of the pierhead, a ramp will access a 12' x 20' floating dock. The applicant also proposes to construct 2,250 linear feet of bulkhead that is 3' in height to surround the properties of TMS# 330-08-00-003 and 330-08-00-021 for erosion control. The purpose of the dock is for the owner's private recreational use and the bulkhead is for erosion control.

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by OCRM can be based. Comments concerning the proposed work should be submitted in writing, setting forth sufficient detail to furnish a clear understanding of the reasons for support or opposition.

The decision to issue or deny a permit will be based on the individual merits of the application, the policies specified in the South Carolina Coastal Zone Management Act, and the considerations outlined in the State of South Carolina Coastal Zone Management Program. Interested parties who wish to be notified of final permit action must notify OCRM in writing of this request.

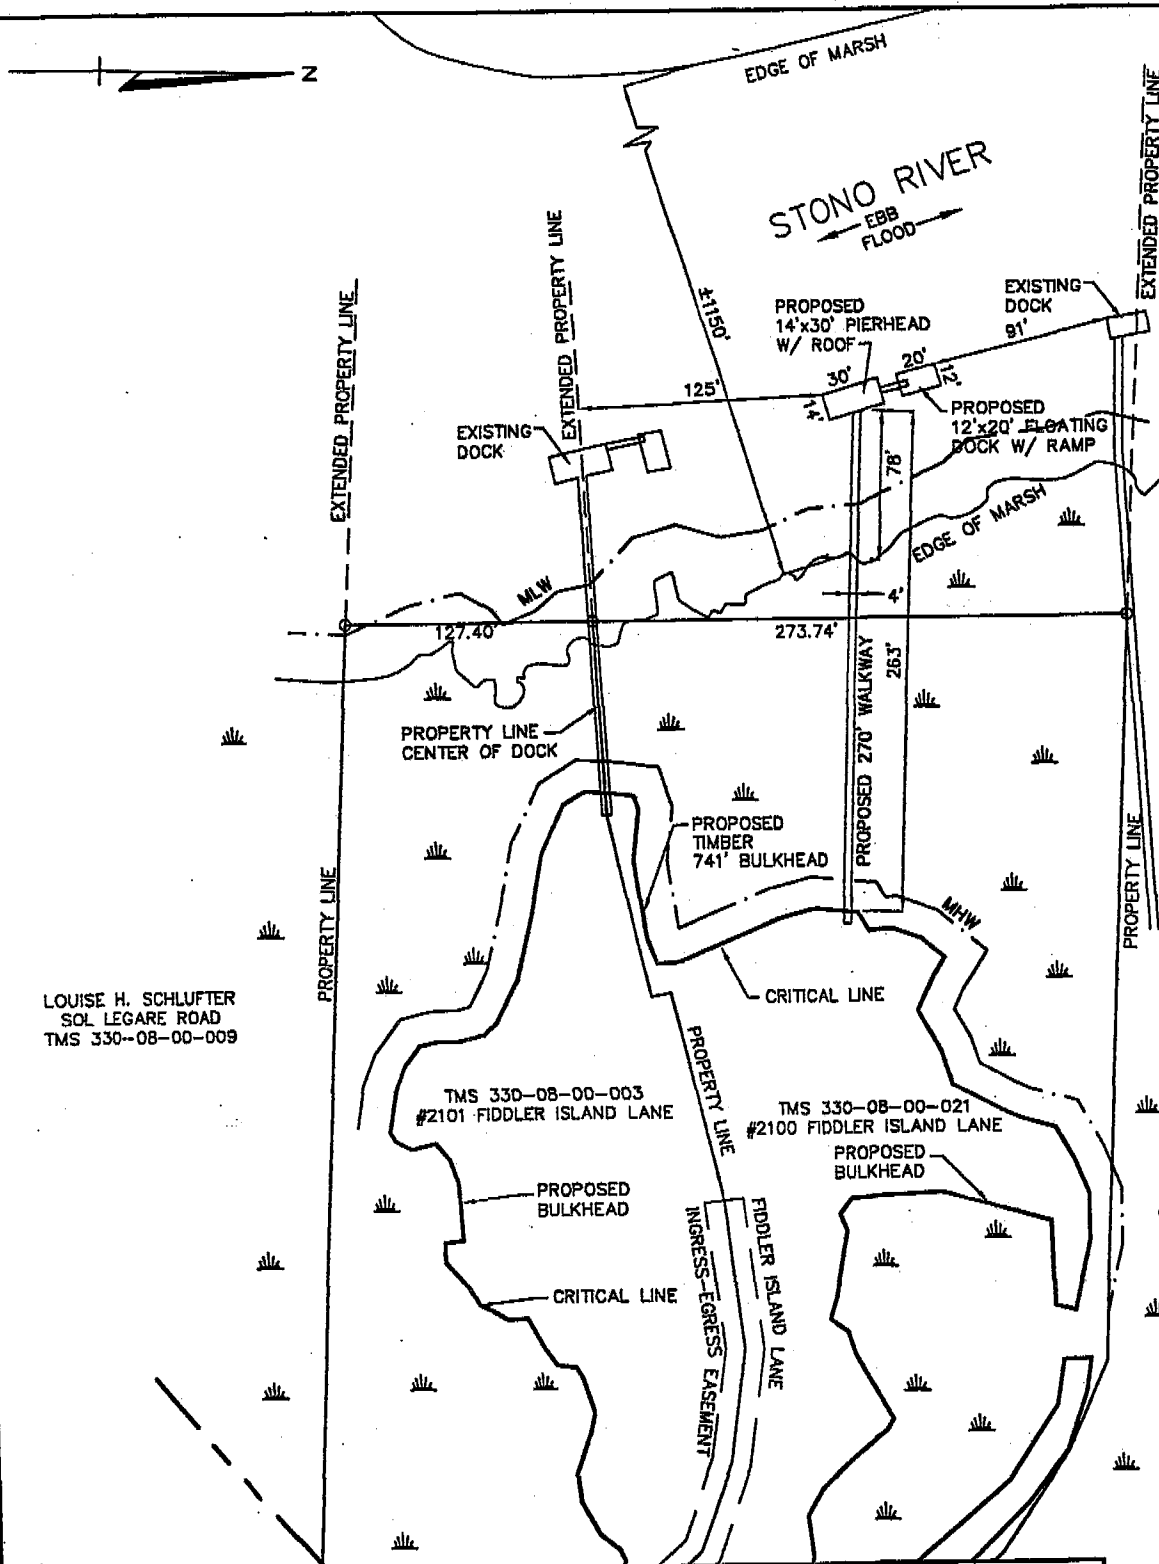

To assure review by OCRM, comments regarding this application must be received by OCRM on or before March 8, 2008. For further information please contact the project manager for this activity, Josh Young at 843-953-0200.
